INFORMATION FOR CLASS MONITORS

Thank you for volunteering for the 2018 NCR Chapter NATS Student Vocal Festival.

We ask that you please check in at the Registration Desk (lobby of Pérez Hall) 10 to 15 minutes before you are scheduled to be on duty. You will receive any new information at that time including whether or not students have checked in for their class.

Your primary duty is to monitor the door so that performances are not interrupted by untimely entrances or exits. Performers and audience members may enter or leave only at the beginning or end of the class, or between performers. Please do not let anyone in during a performance (not even in the breaks between songs). You may from time to time be asked to perform additional small duties by the adjudicators.

If there is a delay in the arrival of an accompanist, please check the schedule for a possible conflict in the other room and inform the adjudicators. From time to time there could be a brief delay as accompanists “run” from room to room. Also, please check outside the room if a singer or accompanist is missing.

When not monitoring a class, you are invited to attend other categories and our Winner’s Concert on Saturday night beginning at 7:00 pm. The schedule for all classes is posted on the white-board in the lobby.

Have a great Festival.
